

For Employees of The Health Care Authority of the City of Anniston

**The Health Care Authority of the
City of Anniston – VIVA Guidebook 2026**

Dear Employees of The Health Care Authority of the City of Anniston,

VIVA HEALTH, located in Birmingham, AL, is part of the University of Alabama at Birmingham (UAB) Health System. VIVA HEALTH is one of the largest health insurers in the state, with over 100,000 Medicare and commercial lives. We are pleased to have the opportunity to offer health insurance coverage to RMC Health System employees and their families. Since we started in 1995, VIVA HEALTH has grown to be one of the largest health plans in the State of Alabama. Like RMC Health System, we pride ourselves on offering an outstanding value, service, and network to our members.

The VIVA HEALTH-RMC Health System Plan is a tiered network plan that consists of RMC Health System medical providers on tier 1, UAB Health System and Children's Hospital medical providers on tier 2, and the remaining VIVA HEALTH network on tier 3. This plan includes access to primary care and all medical specialties. The plan also includes telehealth services that link members to Alabama-licensed physicians through phone or video chat for the treatment of minor medical concerns, improving the affordability and convenience of primary care. On the VIVA HEALTH-RMC Health System Plan, out-of-network services are only available for urgently needed or emergency care or when approved by VIVA HEALTH's medical director.

If you have any questions, we invite you to contact our customer service department Monday through Friday from 8AM to 5PM at (205) 558-7474, toll-free at (800) 294-7780 (TTY 711), and by email at vivamemberhelp@uabmc.edu.

Thank you for considering VIVA HEALTH as your health plan in 2025.
We look forward to serving you.

Sincerely,

A handwritten signature in black ink that reads "Brad Rollow".

CEO/President

What You Need to Know

As a VIVA HEALTH-RMC Health System member, you have access to RMC Health System, the world-renowned UAB Health System, and VIVA HEALTH's full network of providers.

How the VIVA HEALTH-RMC Health System Plan Works

Members on this plan may see any VIVA HEALTH participating provider for their health care. However, if you see a provider within the RMC or UAB+ network, you may enjoy cost savings through lower copays, coinsurance, and deductibles.

The RMC network (Tier 1) offers the lowest copays, coinsurance, and deductibles of any of the three coverage tiers. The RMC network consists of Regional Medical Center, Stringfellow Memorial Hospital, and all RMC satellite clinics.

The UAB+ network (Tier 2) offers copays, coinsurance, and deductibles a little higher than the RMC (Tier 1) network, but includes access to University Hospital, UAB Women and Infants Center, UAB Highlands, The Kirklin Clinic, Medical West, UAB Callahan Eye Hospital, Spain Rehabilitation Center, all UAB satellite clinics, and Children's Hospital.

The VIVA HEALTH network (Tier 3) has the highest copays, coinsurance, and deductibles on the Plan but includes hospitals and health centers contracted with VIVA HEALTH but outside of RMC and UAB+.

Will my doctor be covered under the VIVA HEALTH-RMC Health System Plan?

All physicians within VIVA HEALTH's robust state-wide network are covered under the VIVA HEALTH-RMC Health System plan. However, your costs may be less if you use a provider at RMC Health System, UAB Health System, or Children's of Alabama. To determine which tier your provider or a facility is in, you can call VIVA HEALTH at 1-800-294-7780. Remember: medical care you receive from providers who are not included in the VIVA HEALTH-RMC Health System Plan network will not be covered by the plan unless it is urgently needed or emergency medical care or approved by VIVA HEALTH's medical director in advance.

Worldwide Emergency and Urgent Care Coverage

If you are outside the service area and have an urgent and unforeseen need for care that can't wait until you return home, you are covered. This includes care in a physician's office for an unexpected illness or injury that would not be classified as an emergency, but does require immediate attention. Care in an emergency room is only covered for treatment of emergency medical conditions. Of course, this does not include routine or elective medical services, and you must return to the service area for any follow-up care. Still, if you're on a weekend trip or an extended vacation, you can relax knowing that you are covered.

Excellent Customer Service

We encourage you to put us to the test: When you dial the VIVA HEALTH Customer Service department during business hours (8am - 5pm, Monday through Friday), you'll get a real person with real answers. You can also have your questions answered at the click of the mouse! By visiting our website at www.VivaHealth.com, you can access all of the following information:

Attachment A to Certificate of Coverage

The Plan's services and benefits, with their copayments, coinsurance, and some of the limitations, are listed below.

Services received in a primary, specialty, or urgent care office may be subject to a copay or coinsurance in addition to the office visit cost-sharing depending on the type of service received. This is only a brief listing. For further information, plan guidelines, and exclusions, please see the Certificate of Coverage.

Please keep this Attachment A for your records.

Wellness Benefits

The Health Care Authority of the City of Anniston

This schedule outlines preventive services and items that VIVA HEALTH will pay at 100% for its non-grandfathered “Wellness” plans. Many of the services are provided as part of an annual physical, which is covered at 100%. In some cases, an office visit or facility copayment or coinsurance may apply if the preventive service or item is billed separately from the visit. A copayment or coinsurance may also apply if the primary purpose of your visit is not routine, preventive care. All services must be performed by a provider in your network. This list does not apply to all VIVA HEALTH plans. Please refer to your Certificate of Coverage to determine the terms of your health plan.

Remember:

Emergency and urgent care coverage is available worldwide.

If you are outside the service area and have an urgent and unforeseen need for care that can't wait until you return home, you are covered. This includes care in a physician's office for an unexpected illness or injury that would not be classified as an emergency, but does require immediate attention. Care in an emergency room is only covered for treatment of emergency medical conditions. Of course, this does not include routine or elective medical services, and you must return to the service area for any follow-up care. Still, if you're on a weekend trip or extended vacation, you can relax knowing that you are covered.

Do you have any questions?

Local customer service representatives are available to help you Monday through Friday from 8AM to 5PM at (205) 558-7474, toll-free at (800) 294-7780 (TTY 711), and by email at VivaMemberHelp@uabmc.edu.

You can also download the VIVA HEALTH Mobile App to view your claims status, view a digital ID card, and request electronic EOBs.
